

KEY CARS DONATION/SPONSORSHIP CONSIDERATION FORM

One of our core values is giving back to our community. Our first priority is sponsoring the health and wellness of Connecticut's children, with a special emphasis on organizations that are near and dear to our employees and customer's hearts.

Our major annual beneficiaries are the Connecticut Children's Medical Center, Cruisin' on Main Street and Big Brother's Big Sisters.

We have limited additional discretionary dollars available. While we wish we could support every opportunity that comes our way, the requests far outweigh our very generous annual budget.

If you would like us to consider your organization, please fill out this form legibly in full and return to us with all collateral materials you deem appropriate. Also, a **W9 is required** with each donation/sponsorship request. No exceptions. Our committee reviews opportunities on the 15th day of each month. We will notify you if your organization has been selected for a donation/sponsorship.

This form and all materials can be mailed to:
